Information for applicants

Applications

Your application will not be processed unless it is accompanied by all relevant documentation. Certified photocopies of original documents are preferred as originals will not be returned. Applications may be made at any stage during the year, however, applicants who wish to be considered for a scholarship must lodge their application by the closing dates listed on the application form. To allow time for student visa processing, international applicants should ensure that their application is lodged at least two months prior to the date you plan to commence your studies.

Offers

Both minimum academic and English entry requirements must be met in order to gain entry to Bond University's courses. Please ensure that you include certified copies of both academic transcripts and English proficiency tests (either IELTS or TOEFL with TWE) when you submit your application form.

If your English language level is not sufficient for direct entry to a degree program, you may be made an offer of admission conditional upon you meeting our English language requirements prior to beginning your degree. Should you require further studies in English, you can choose to enrol in BUELI's government accredited ELICOS programs.

If you meet the University's entry requirements you will normally receive a formal letter of offer within two weeks of your application arriving at the Office of Admissions. Your letter of offer will include a unique student identification number (SID). Please use this in any subsequent dealings with the University.

Acceptance procedure - International applicants

To accept your offer of a place at Bond University, you must return the response to offer form which accompanies your letter of offer, together with payment of your first semester's tuition fees, plus proof of Health Care Cover and any other fees specified on your response to offer. Payment must be in the form of a bank draft, telegraphic transfer, via credit card or cheque made payable to Bond University, in Australian dollars, and drawn on an Australian bank. When the Office of Admissions receives the specified fees you will be sent a Confirmation of Enrolment, which you will require for your student visa application.

Successful applicants who hold a current Australian Student Visa may accept an offer by returning their response to offer form with a bank draft to cover the non-refundable tuition deposit. The tuition deposit will be deducted from your first semester's tuition fees upon enrolment. Your confirmation of enrolment, which you will require for your student visa extension, will be issued when you return your response to offer and non-refundable deposit.

Students who accept their offers may access detailed instructions concerning registration procedures approximately one month prior to the commencement of their course, via the Bond website. Students should plan to arrive on campus one week prior to the commencement of classes to participate in orientation.
